

10 Ways To Change The World

Thursday 26 JUNE 19:00 - 20:30
Talk , Sharing & Meditation
for EU Sustainable Energy Week

“The health and abundance in the natural environment depends entirely on human behaviour. An everyday drama plays out on this world stage as we continue to act our parts. I am not sitting here temporarily. This planet is my eternal theatre.... Let's increase our regard for the environment. ... Om Shanti.” Dadi Janki

Join us for an inspiring evening to explore 10 ways to change the world. Everyone who attends will receive a reminder card listing the 10 ways we can all make a positive difference.
