**SUSTAINABLE ENERGY
WEEK 23 - 27 JUNE 2014**

The EU Sustainable Energy Week (EUSEW) has become a reference point for public authorities, energy agencies, private companies, NGOs and industry associations engaged in helping to meet the EU's energy and climate goals.

The week highlights the use of sustainable resources, how to ensure a clean environment, secure energy sources and reduce energy waste.

HIGH-LEVEL POLICY CONFERENCE

The EUSEW 2014 High-Level Policy Conference (HLPC) will take place from **Tuesday 24 to Thursday 26 June 2014** in the prestigious Charlemagne building of the European Commission in Brussels.

ENERGY DAYS

Energy Days are not-for-profit events that promote energy efficiency or renewable energy. Energy Day Events will be organised in Brussels, throughout Europe and worldwide to share best practices. In 2014 Energy Days can be organised **during the entire month of June.**
