

Sister Jaymini at the House of Lords, London, UK

Sister Jaymini represented Brahma Kumaris at the House of Lords on Thursday 22nd March when she attended the United Nations World Water Day Celebrations. Hosted by Baroness McIntosh of Pickering, this event was organised by Sanskruti Centre in co-operation with Just a Drop, BPF, CIWM, DWI, and OneLess.

The theme of UN World Water Day this year was:

Nature for Water

– exploring how we can use nature to overcome the water challenges of the 21st century.

Sister Jaymini had the opportunity to share spiritual thoughts on the nature of water, saying: "Water is one of the elements of nature. To purify the element of water, human positive energy is needed." She followed this by sharing a few meditative thoughts with the gathering. Attending the meeting on behalf of the Brahma Kumaris along with Sister Jaymini, were Maria Faundez, Rajesh Khanna and Rajani Kumar.
